To Whom It May Concern:

This letter is confirmation that the **Becky's Way Annual Golf Tournament** is a proud supporter and partner of Rady Children's Hospital-San Diego.

As a non-profit organization, Rady Children's Hospital-San Diego, depends on the philanthropic support of individuals, businesses and community groups. Without this support, Rady Children's would not be able to reach the 237,000 children whose lives we touch each year through the hospital, satellite offices and community outreach programs.

Rady Children's is privileged to be the recipient of proceeds from the **Becky's Way Annual Golf Tournament fundraising efforts**. We hope that you will join them in supporting our community's children and helping to make our mission "to restore, sustain and enhance the health and developmental potential of children through excellence in patient care, education, research and advocacy" a reality every single day. Thank you!
